#### Match Report from Wednesday V Chepping View (A)

*In the morning it was pouring down with rain and we thought we would not be able to play in the quarter final of the U11 Cup! Luckily Chepping View have an all-weather pitch.*

*We were two minutes in when their players hand balled it, Zack was straight up offering to take the penalty. He passed it in the bottom right corner. We were 1 - 0 up! Fernando then made a great save. We scored loads of awesome goals, like Carter's back heel and Conor's header, but Sri had a great volley into the top left. Zack was very skilful and our defence was like a brick wall. Harry, Sri and Carter were our speedy wingers and Conor made some great passes. Damian made an insane pass to Zack who took a shot and scored 5 - 3 to us. At the end they were very polite they shook our hands and said "well done".*

*Conor (Captain), Year 5*

The team will play Burford in the semi-final of the U11 cup after the Easter holidays.

We wish the team well for their match V Lane End (A) after school today.

### **Car Parking**

I have included a photo of a car parked illegally last Friday on the corner of Prospect Road. Parking such as this makes it unsafe for our children. Please think before you park, we do not want to wait before a child is hurt or worse before we change our ways!! Think before you park!

### **Wild Marlow – ‘Bee Town Marlow’**

St Peter's are participating in the above campaign, which focuses on helping the local community understand the importance of bees and other pollinators to Marlow's ecosystem. We have received from Wild Marlow seeds for every child, which they will sow at the front of the school.
