### Reception visit to St Peter's Church

The Reception class would like to thank Deacon Kevin for showing them around St Peter's old church.

During the visit, Deacon Kevin gave Reception some time to look around the old church and see what things they could spot and then the children sat together and talked about what they spotted. There were lots of beautiful stained glass windows in the church and the children enjoyed spotting all of the crosses and different images of Jesus. Then the children looked around the new church where they found the font that some of the children were baptised in! The children then lit a candle for their friend Christopher and said a prayer to help his recovery. The children had such a lovely time at the church and learnt a lot! A big thank you to Deacon Kevin for showing the children around and a big thank you to Mrs Fineman, Mrs Fernandez, Mrs Gucumengil, Miss McKnight and Mrs Lanyon for volunteering to walk down with the children.

## **Football : Match Report Wednesday 1 February 2023**

As Tony, our coach, gave us our positions on the starting line, we were ready to defeat Danesfield. They gave us a strong, fast game to start with. They were 0 - 1 up when Zack made a break, Conor and Harry were on either side, Zack had a powerful shot which deflected off their goal keeper. Conor took a rebound kick which went under the keeper's arm into the goal. After that we made runs where Damian got the ball up the pitch and Danny played it to Carter to have a shot. Our team were outstanding. Fernando made some great saves and let in some very lucky goals. Nikolas didn't let anyone past him and played well. Final score 1 - 3 to Danesfield.

## **Christopher's Heart is Supercharged**

Thank you so much for your prayers and support for Christopher, Reception! His heart operation last week was a big success and he has been discharged from Great Ormond Street to recover from home for 4-6 weeks. Christopher has been very brave throughout and personally is so thankful for everyone praying for him as his body heals from this life-giving surgery. He is doing remarkably well, already up and walking! Every day, Christopher is asking when he can return to school and has already visited once to wave at his classmates and another time to see his teachers and hug Mrs Reading! It has been a truly difficult and humbling experience but proves that we can overcome any challenge that comes our way. With almost all of his extended family in America and Albania, it's times like these that we really appreciate our school family and the St Peter's community spirit. If you see Christopher picking up his big sister Beta Year 4, he would love for you to stop and say hi if you have a moment. Please stay tuned for an open invitation to play with Christopher and his supercharged heart at Riley Park when doctors confirm he is fully healed and ready to run, jump and play!

God bless  
Mrs Ndoci

Yours sincerely
