St Peter's Catholic Primary School Data – 2024

At St Peter's Catholic Primary School, we are proud of our consistently high academic standards. Our most recent data shows that pupil attainment across all key stages continues to **exceed national averages** in nearly every subject area.

In 2024, outcomes in **Reading, Writing and Mathematics at Key Stage 2** were significantly above national benchmarks, with **83% of pupils meeting the expected standard in reading**, compared to a national average of 74%, and **79% in maths**, compared to 73% nationally. Writing, grammar, punctuation and spelling (GPS), and science also outperformed national figures, with strong results at both the expected and greater depth standards.

Similarly, **Key Stage 1 and EYFS outcomes** remain above national levels, with notable progress in phonics, where **85% of Year 1 pupils met the expected standard**, outperforming the national figure of 80.5%.

These results reflect our school's high expectations, excellent teaching, and strong pastoral support — ensuring every child achieves their potential in a nurturing, inclusive environment.
