Flood Fayre Visit

Yesterday St Christopher's class visited Court Gardens to participate in a Flood Fayre to provide some prior learning to one of our geography topics. Once we got there we were given an activity sheet which covered different types of flooding and flood prevention. We visited lots of stalls to find the answers. We were all given stickers and special wind up torches as prizes. Then we visited the Flood Mobile. In the Flood Mobile were flood proof doors and flood proof air bricks. It showed you how to protect your home. We enjoyed our visit and are looking forward to the follow up assembly in a few weeks where we will find out more about flood prevention works in Marlow.
