### Attendance

Congratulations to Conor who was the winner of our weekly attendance draw. Last week 71 names were entered into the draw but that is only 66% of the children. Our aim is to have at least 80% of children eligible for the draw; that is 80% of children with 100% attendance and being on time the week of the draw.

### Perform Drama Group

This week Reception and St Cecilia's participated in a workshop organised by Perform. The theme was Fairytales and Fables. The children had a great time.

## **Kids With Bricks (Lego)**

Every week the Lego Club has a builder of the week and one member's model is uploaded onto the Club's website.

This week's builder of the week was Jack and the winner of this week's challenge to build a model octopus was Viktor. Well done to you both.

## **Class Photographs : Thursday 9 May 2024**

Class photographs will be taken on Thursday 9 May 2024. It is extremely important that all Key Stage 2 children are at school on time as their class photos will be taken before they go to church.

## **Single Use Plastic**

Since Earth Day (April 22<sup>nd</sup>) I have been thinking about ways our school can improve our plastic usage and I thought back to our Waste Free Wednesdays. I am trying to encourage people to use less plastic in their packed lunches and get reusable water bottles. For example buy multipacks of food so you're not buying lots of little plastics, or use beeswax wrappers instead of foil. Please use as little plastic as possible for the sake of the planet.

Starting next week on Wednesdays, I will with a small group of others interested in saving our planet, be awarding house points to those using the least plastic.

Eva, Year 6

Yours sincerely
